RE:       Sabbatical Leave Requests for Academic Year 2018-2019

This memorandum initiates the sabbatical leave application process for sabbaticals to be taken in academic year 2018-2019.

A copy of instructions and relevant forms are available at the Vice Provost for Faculty Affairs website: http://facultyaffairs.arizona.edu/sabbatical-leave

Relevant policies from the University Handbook for Appointed Personnel (UHAP 8.03.02, Sabbatical Leave) can be found at: http://policy.arizona.edu/human-resources/sabbatical-leave

Sabbatical proposals and post sabbatical reports are to be reviewed at the college level. A list of all approved sabbatical leaves should be forwarded from the college or academic unit to our office by January 12, 2018. This list should include any changes that occurred in the 2017-2018 schedule and are being rolled over to 2018-2019.
