SECTION 8: SERVICE AND OUTREACH PORTFOLIO

Candidates can use this section to document the impact of their leadership on outreach, service, and instructional programs. While the Service and Outreach Portfolio is optional in promotion and tenure reviews, it is required in continuing status reviews if a candidate is responsible for a major outreach program, as in Cooperative Extension or the University Libraries. The Service and Outreach Portfolio provides candidates with an opportunity to describe and document a program they have developed. This documentation is for departmental reviews and will not generally be forwarded to college committees. However, if a candidate has provided significant leadership in developing outreach, curricular or other initiatives, he or she may request that the department head or committee chair send the Service and Outreach Portfolio to external reviewers.

- Service and Outreach Portfolios can be used to document collaborations with business and community partners, tech transfer and commercialization activities, and other forms of translational research highlighted in the inclusive view of scholarship included in the University's promotion criteria: [http://facultyaffairs.arizona.edu/promoting-inclusive-view-scholarship](http://facultyaffairs.arizona.edu/promoting-inclusive-view-scholarship)
- Candidates should consult our resource page on the scholarship of engagement: [http://facultyaffairs.arizona.edu/promoting-inclusive-view-scholarship](http://facultyaffairs.arizona.edu/promoting-inclusive-view-scholarship)
- Reviewers should consult the Evaluation Criteria for the Scholarship of Engagement: [http://schoe.coe.uga.edu/evaluation/evaluation_criteria.html](http://schoe.coe.uga.edu/evaluation/evaluation_criteria.html)
