

SECTION 6A: INFORMATION ON TEACHING AND ADVISING

(**FORWARD** with the dossier for college and university review)

***Limit to period in current rank**, if *five-years or less*. (If rank is assistant or associate, and continuing-eligible or tenure-eligible, include materials for all years in current rank/status.) **Limit to period of last five years**, if current rank is *five years or more*.

***Extent of Teaching**

List of courses taught (use the table format provided here: click to [download template](#)).

- Note if classes are taught online or in other nontraditional formats.

***Course Descriptions**

Brief statements (2-3 sentences) on courses are useful to characterize student populations and instructional settings.

***Student Evaluations**

Candidates, departments or units can provide reports in the teaching portfolio. See [here](#) for more information.

TCE Comparison Reports (only for courses before Fall 2019)

Student Course Survey Responses (for courses in Fall 2019 and thereafter**)

**Student Course Surveys are not required in the promotion dossier from Spring or Fall of 2020

***Individual Student Contact**

Collaborations with undergraduates and graduates on research projects

Advising and Mentoring (use the table format provided here: click to [download template](#)).

Career counseling

Participation in honors program

Faculty advising of clubs and associations

Off-campus internships, service learning and other engagement activities

Clinical instruction

Independent studies directed and in progress

Theses directed and in progress

Dissertations directed and in progress

Service on other dissertation and graduate committees

***Contributions to Instructional Innovations and Collaborations**

Teaching workshops attended or delivered

Development of online and other course materials

Collaborations on curricular and outcomes assessment committees

Research on curriculum and pedagogy that contributes to such collaborations

***Teaching Awards and Teaching Grants**

Department and college

National and international

University

Grants for teaching innovations

Teaching Philosophy Statement (optional) Limit to a total of 3 pages

***Peer Observations (optional)**

It is optional for candidates to **include any previous teaching observations that were *not done*** for promotion review. At least one peer observation is done at the time of promotion review and is included in Section 9 and is organized by the department/unit committee, not the candidate.
