SECTION 6: TEACHING PORTFOLIO AND RESOURCES

Candidates have the opportunity in the teaching portfolio to represent their teaching through a wide range of information and supporting documentation to demonstrate their teaching quality, outcomes assessment, and course design. Portfolios may include a statement of teaching philosophy (no more than 3 pages) that is additional to the candidate statement, which provides reflection on your goals as a teacher, your pedagogical approach, as well as course development or design changes over time. Candidates may use the Leadership Portfolio in Section 7 to document their administrative leadership in curricular reforms beyond their own classes. Questions may be directed to Asya Roberts asya@arizona.edu or 626-0202.

There are two parts to the Teaching Portfolio. Each subsection is submitted separately.

- **Section 6A - Information on Teaching and Advising** will be forwarded to college/university committees.
- **Section 6B - Supporting Documentation** will NOT be forwarded to college/university committees; this material is summarized in the departmental letters by the department committee and department head.
