FACULTY REPORTS, DATA & TRANSPARENCY

The Faculty Affairs team has developed unprecedented reports over the last two years that further data transparency, inform leadership, and include best practices recommendations for stakeholders involved in faculty advancement throughout their career lifespan.

Faculty Retention with Equity Lens: Five Year Review

This report presents a five-year summary of faculty hiring, departure, and retention data. An equity lens is used to examine data for differences by underrepresented minority (URM) groups, to better examine how trends may vary among faculty track, rank and by demographics.

P&T Criteria Working Group

This report presents a summary of emerging trends in promotion and tenure across the nation, including open scholarship, innovation and entrepreneurship, service & invisible labor, HSI, patents, community-engaged work, large scale data and multiple authors/collaborators, mentoring of students, and societal impacts. Its goal is to provide recommendations for updates.

UA Vitae Faculty Fellows

In Fall semester 2021, UA Vitae Faculty Fellows were charged with reviewing the current use and impact of UA Vitae. They engaged with key stakeholders who were identified as heavy users of UA Vitae to obtain feedback and then write reports of its usage and impact as well as make recommendations of its future implementation to the UA Vitae Faculty Affairs team.

Preliminary Examination into Faculty Workload

This report is a preliminary examination in understanding faculty workload within our university and across faculty tracks. Data for this report were pulled from existing datasets including UAVitae, UAccess, and IPEDS.
The Faculty Affairs team conceptualized an Equity Ecosystem and a Faculty Career Equity Strategies scheme that considers recruitment, professional advancement, and retention to advance affirming and inclusive systems for faculty advancement. Action Collaborative Partner Network for Prevention of Sexual Harassment

The Sexual Harassment Collaborative Repository contains descriptions of the most significant, innovative actions that participating organizations in the Action Collaborative on Preventing Sexual Harassment in Higher Education have taken. This self-reported information is shared to help higher education organizations develop, adapt, and implement efforts that move beyond basic legal compliance and toward evidence-based policies and practices for addressing and preventing all forms of sexual harassment and promoting a campus climate of civility and respect. Three reports from UArizona have been reviewed and accepted into the repository.

The plan provides a goals, objectives, metrics, and a timeline for each of the priority areas.
The Steps in the Scholar Journey Program aims to nurture the pathway to the professorate in culturally meaningful and responsive ways. Sponsored by Faculty Affairs, Native American Advancement & Tribal Engagement, Native American Initiatives, and Hispanic Serving Institution (HSI) Initiatives in partnership with Postdoctoral Affairs and academic departments across campus, this program is aimed at providing professional development for post-doctoral scholars to aid them in next step into the professorate.

Each scholar in this program will be connected with an Elder Scholar who is farther along in the academic journey, who will serve to guide and support them in a mentorship role through this program. The program is a four-day experience for current post-doctoral fellows of all disciplinary backgrounds.

Faculty Affairs offers the Faculty Development Communities for Promotion (FDCP) Mentoring Program. The objective of this program is to prioritize guiding values of excellence, honesty, trustworthiness, and compassion to help faculty discuss and navigate their professional development while on the pathway to promotion/tenure.

The goal of this program is to create small faculty groups and link them with one faculty mentor who has participated on promotion review committees. These communities help early career faculty explore their individual objectives, hopes, and aspirations as well as to reflect on their common challenges, concerns and solutions about promotion and tenure.

This program is available for incoming and junior tenure-track, career-track, and continuing faculty at the University of Arizona.
