

SECTION 4A: LIST OF COLLABORATORS

Collaborators and their Organizational Affiliations

Collaborators include all individuals who you have worked **closely and directly** with in the last five years or 60 months preceding the submission of this dossier. This includes individuals who have co-authored books, articles, publications, reports, abstracts, papers, or awarded grant proposals and projects.

In the provisions used by the National Science Foundation, [National Institutes of Health](#) and other groups to ensure the impartiality of reviews, collaborators are defined as individuals who have co-authored books, articles, abstracts, or grant proposals within the last five-years. Collaborators also include individuals who have been a your dissertation advisor, mentor, supervisor, co-instructor, or close coworker in a lab, department, or residency program, even if this relationship occurred more than five years prior to the review.

Use table to list the name (first and last), institution or organization name, and collaboration type of individuals described in the bulleted points below. Click [here](#) to download table template.

- Collaborators on grants and co-authors on publications, articles, abstracts, and manuscripts from last five years. This does NOT include co-authors of a non-research publication (e.g., review or commentary) or a mega-multi-authored publication with a person with a major role on the project.
- Collaborators on technology transfer, start-up companies, or other entrepreneurial activities.
- Advisors (Thesis, Dissertation and/or Postdoctoral), Mentors or Sponsors (*Advisors are **lifetime collaborators** without a time limit. Lifetime collaborators also include individuals who have been a candidate's dissertation advisor, mentor, supervisor, co-instructor, or close coworker in a lab, department, or residency program, even if this relationship occurred more than five years prior to the review.*)
