

SECTION 5: CANDIDATE STATEMENT – CAREER-TRACK

Candidate Statement of Accomplishments and Objectives *Statement is 3-5 pages. The attestation may be on the next page if needed, minimum 11-point font.*

Candidates should describe evidence of their achievements in all areas of workload during their period in rank. This narrative can include a statement of teaching philosophy, which may include reflection on teaching goals and pedagogical approach.

For advice on the Candidate Statement, see the [Guide to the Career-Track Promotion Process](#). Also, view our [Promotion Workshop Schedule](#) for the recorded workshop video for creating a Candidate Statement.

Candidates may also wish to consult the university's [Public and Community-Engaged Scholarship](#) in the university's promotion criteria when describing their accomplishments in all areas of teaching, research/creative activity, and service.

Signed Statement by Candidate on the CAREER-Track

The candidate's signature should appear on the last page of Section 5 under the following statement:

Sections 4 and 5 are true and accurate statements of my activities and accomplishments. I understand that misrepresentation in securing promotion on the career track may lead to dismissal or suspension under ABOR Policy 6-201 J.
